Visit the homepage of the IOBC/WPRS: <http://www.iobc-wprs.org>

You are welcome to give a presentation on any topic relevant to integrated plant protection in soft fruits, for example:

1. Certification and health of propagation stock
2. Pesticides and application techniques for use in IP systems
3. Biocontrol of pests, weeds and diseases
4. Biology of pests and diseases
5. Use of pheromones and kairomones in pest control
6. Monitoring and forecasting of pests and diseases
7. Management of diseases, viruses and phytoplasmas
8. Diagnostic tools for pests and diseases
9. Economic injury levels
10. Soil management and weed control
11. Methods for physical and cultural control
12. Host-plant resistance/ cultivars suitable for IP and organic farming
13. Post-harvest and storage diseases
14. Practical implementation of IPM in soft fruits

With kind regards,

General information

- English is the official language of the workshop.
- Meeting address: Corvinus University of Budapest, Faculty of Horticultural Science, Villányi út 29-43, H-1118, Budapest. Tel: (+36) 1 482 6518
- Accommodation will be available in Hotel Bara and Hotel Bara Junior (http://www.hotelbara.hu/english_bara/index_e.htm) near the conference site. (approx. EUR 60 / night for a single room with breakfast). The guests of the conference are requested to register at the hotel individually until **15 March 2010** via the following e-mail address: sales@hotelbara.hu (contact person: Mr. Csaba Wakszmann).
Please, write **“IOBC Soft Fruit Conference”** in the subject of the letter.
Further accommodation possibilities near the conference centre may be offered if required.
- A map of the most important sites of the conference with detailed information on their accessibility and the location of some interesting places in Budapest can be found [here](#)
- Registration fee will include programme with abstracts, coffee and lunch Tuesday-Thursday, a Budapest seven-day travel card, and a technical excursion with a cultural programme and the workshop dinner on Wednesday (approx. EUR 160). A day delegate fee will be included in the Second announcement.
- Post workshop excursion on 24 September: As Budapest offers a lot of places of interest the organizers suggest choosing among them with the help of the map and the descriptions which can be found on the site indicated above so that you can plan your own sightseeing tour freely in the town according to your interest. Naturally, the local organizers and the colleagues of the hotel will help you if you have any additional questions or need further instructions. Nevertheless, there are several guided tours in the city, too. To join any of these, please, visit the website: www.cityrama.hu.

- Travel by plane to Budapest Ferihegy Airport (<http://www.bud.hu/english>) or by train (<http://www.mav-start.hu/english/index.php>). The conference site is located in the centre of the capital (the link to the map is indicated above) so it is easily accessible by means of public transport. Detailed information will be included in the Second Announcement.

- Please fill out the **Pre-registration form** (next page) and send it to the local organizer gabor.vetek@uni-corvinus.hu before **15 December 2009**.

- A definitive registration form with programme draft and information on how to pay and submit abstracts will be published in February 2010.

- This information is also available on the IOBC/WPRS homepage:
<http://www.iobc-wprs.org/events/index.html>
