***Second announcement***

Dear Colleagues,

The International Organization for Biological and Integrated Control of Noxious Animals and Plants, West Palaearctic Regional Section (IOBC/WPRS), invites you to participate in the 6th Meeting on “Integrated Protection in *Quercus* spp. Forests”, that will be held in Tempio Pausania (Italy), from 4 to 8 October 2010. The Meeting is organized by Agris Sardegna, Department of Cork and Sylviculture, and by University of Sassari, Department of Plant Protection.

It also calls for the nomination to the Presidency of the Group, President and Vice-President, elected at the end of the Meeting.

For more information, please look up the web site : [www.dpp.uniss.it/oilb\\_2010](http://www.dpp.uniss.it/oilb_2010)

***Participation***

The registration form (as Word format), downloaded from the web site, must be sent before next May 31, 2010, to the indicated addresses. The registration fees (70 € for IOBC Members and students, 120 € for the others) will be paid on the first day of the Meeting. They include the conference documentation, coffee breaks, lunches, social dinner, technical excursion and one copy of the *IOBC Bulletin* with the Meeting Proceedings. Additional *Bulletin* copies may be requested at price of 15 €

**Very important** : everybody, also those who have already sent the registration proposal, is invited to make the registration using the form reported in the web site. Abstracts must be drawn up and sent only following the instructions reported in the same web site.

***Meeting location***

The Meeting will take place at the Congress centre of Agris Sardegna, Department of Cork and Sylviculture – Tempio Pausania.

***Participation, abstracts, proceeding book***

The works may be presented as oral communication or poster, after validation of the Scientific Committee, who will organize the sessions according to themes.

The official languages for communications and posters are French and English.

The Authors have 10-15 minutes for each oral presentation using Power Point.

For posters the following format is strongly suggested: title, author(s), address (don't forget to mention your e-mail), abstract, materials and methods, results and conclusions. Maximum size of poster: 80 cm (width) and 120 cm (height).

The abstracts, both for oral and poster presentation, must be sent as attached file in Word format before May 31, 2010 to the following addresses:

**Antonio Franceschini**, Università degli Studi di Sassari, Dipartimento di Protezione delle Piante.

Via E. De Nicola 9, 07100 Sassari (Italie). Tel. +39 079 229296 – Fax +39 079 229316.

**Pino Angelo Ruiiu**, Agris Sardegna - Dipartimento della Ricerca per il Sughero e la Silvicoltura  
Via Limbara 9, 07029 Tempio Pausania (Italia). Tel. +39 079 672218 - Fax +39 079 671113  
Email: [paruiiu@agrisricerca.it](mailto:paruiiu@agrisricerca.it)

Don't forget to indicate the preference (oral communication or poster) at the end of abstracts. Accepted abstracts will be published in the book distributed during the Meeting. The *IOBC Bulletin* publishes all the papers presented at the conference. Instructions for Authors are reported in the web site. Communications not corresponding to the requested format will be refused and the Authors invited to follow instructions closely.

**Languages** : manuscripts must be written in French or English. Their content must be clear, concise and have been read by someone fluent in the language used. If manuscripts are written in French, an English translation of the title and summary should be added after the references.

The final texts of works for publication in the Proceedings must be delivered during the Meeting (maximum 8 pages for oral communications and 4 pages for posters).
