

LANDSCAPE MANAGEMENT FOR FUNCTIONAL BIODIVERSITY

9th Meeting of the IOBC-WPRS Working Group
15-18 March 2022, Milan (IT)

SAVE THE DATE

“Landscape Management for Functional Biodiversity”
15-18 March 2022 Milan Italy

DATES ANNOUNCED

The 9th meeting of the IOBC-WPRS Working Group “Landscape Management for Functional Biodiversity” will be held on 15-18 March 2022 in Milan – Italy.

We are busy planning our exciting programme.

The meeting will bring together the latest advances in research, development and application of landscape management for functional biodiversity, exchanging information, coordinating common research and identifying areas for future researches.

IMPORTANT DATES

Call for papers

You are invited to submit abstracts for oral and poster presentations. Authors are expected to contribute papers for publication in the IOBC-WPRS Bulletin which will be available in electronic format only. Contributions should be limited to 4 pages maximum, including tables and graphs. Full instructions for authors and a template for the manuscript and references can be found at http://www.iobc-wprs.org/pub/bulletins/IOBC-WPRS_Bulletins_Author_Instructions.pdf with instructions on submission to follow.

Deadline for early registration and abstract submission is 22 December 2021 with acceptance confirmed by 20 January 2022 and deadline for the reviewing process 15 February 2022.

Registration

Registration will be open in October 2021 with full details to follow.

Local organiser: Daniela Lupi (University of Milan, Italy)
