Time between delivering the bulletin files and appearance in the webshop is depending on:

- Quality of the bulletin files
- Amount of full papers, abstracts and extended abstracts
- Date of arrival of the files – two or more within two weeks versus one within two months

- What to do with the remaining hard copies of the bulletins? JKI is moving to Dossenheim – no chance to keep the bulletins in stock
- Almost all or all are available online – no need to keep them, some copies are existing in libraries and institutes
